Electric Gravy, Sauce, & Syrup Warmer

Model #15500

Ceramic Gravy Boat

Stainless Steel Warming Base

Detachable Cord for Table Top Serving

Hosting a dinner party requires the right tools. Now gravies or sauces can be created ahead of time and kept warm until the hostess is ready.

The gravy, sauce & syrup warmer keeps gravies and sauces hot and ready to serve whenever the guests are ready.

The ceramic gravy boat sits on top of a stainless steel warming base. The detachable cord allows the entire unit to be brought to the table.

This appliance compliments the Deni Buffet Servers nicely.
