Electric Gravy Warmer

Model #15500

Ceramic Gravy Boat

Stainless Steel Warming Base

Detachable Cord for Table Top Serving

Hosting a dinner party requires the right tools. Now gravies or sauces can be created ahead of time and kept warm until the hostess is ready.

The gravy warmer keeps gravies and sauces hot and ready to serve whenever the guests are ready.

The ceramic gravy boat sits on top of a stainless steel warming base. The detachable cord allows the entire unit to be brought to the table.

This appliance compliments the Deni Buffet Servers nicely.

FEATURES
